

NEWLY DIAGNOSED / NEW TO KANSAS CITY PARENT LUNCHEONS

Is your child newly diagnosed with Autism Spectrum Disorder? Have you recently moved into the KC bi-state area and need more information on services in our community? Are you feeling lost, confused, overwhelmed and uncertain as to what steps to take to help your child?

Please join us at one of the New Parent Luncheons sponsored by the Autism Alliance of Greater Kansas City. We are here to help you navigate through the maze of Autism/Asperger/PDD. These luncheons are informal and allow parent-to-parent connections regarding the impact of autism on their lives.
